"Well, now parson," replied the carver of the goose, exhibiting great dignity and reticence, "when you preaches a spechul good sermon I never axes whar you got it. Armageddon was the name of the plain of Esdradeon, the famous battlefield of the Jewish nation. It was there that the issues upon which the destiny of the race depended were settled. Armageddon has therefore come to typify the last stand, the battle for existence.

## Chiropractic for Rheumatism

State of Ohio, ss:

Stark County, Ryllis Schraner of 1001 Lippert Road N. E., Canton, Ohio, having been first duly sworn, says:

I can truthfully say that Chiropractic is wonderful and for me has proven a positive cure for rheumatism. For several years I had been ailing, and it seemed that more medicine I took the worse my system became. I got so bad I had to remain in bed. Dr. J. Menegay of Canton started giving me adjustments, and in two weeks I was able to walk around again. After a few months of steady adjustments I was cured. This was in the spring of 1917, and since then I have resumed all my outdoor sports, such as swimming, ice skating and hiking, and have also been going to dances, and I have never had a trace of it since.

RYLLIS SCHRANER. Sworn to before me and subscribed in my presence this 22nd day of May, 1919.

WILLIAM R. THORA, Notary Public.

Those individuals who save money are better workmen; if they do not work better, they behave better and are more respectable; and I would sooner have in my trade a hundred men who save money than two hundred who would spend every shilling they get.—Franklin.
